HKUST-MINEVA SCHOLAR PROGRAM

MINEVA’S ACTIVE LEARNING FORUM

The HKUST-MINEVA Scholar Program is designed to provide a unique and comprehensive learning experience for students interested in advancing their knowledge and skills in the fields of business and engineering. The program is led by the HKUST-MINEVA Alliance, a collaboration between the Hong Kong University of Science and Technology (HKUST) and the Mineva Foundation, a leading institution in the field of engineering.

The program offers a range of courses and workshops that cover topics such as finance, economics, and engineering, as well as practical experience opportunities such as internships and research projects. Students are encouraged to pursue their interests and passions within the program, and are provided with the support and resources they need to achieve their goals.

THE FIT WITH YOUR HKUST MAJOR

The program is open to students from a wide range of majors, but is particularly well-suited for those with a strong interest in business or engineering. Students are encouraged to explore the program and see how it can fit into their existing academic and career plans.

APPLICATION QUALIFICATIONS

To apply for the HKUST-MINEVA Scholar Program, students must meet certain qualifications. These include a minimum GPA of 3.5, and a strong record of academic achievement and leadership. Students are also encouraged to submit a statement of purpose and a letter of recommendation to support their application.

TO APPLY

Applications for the HKUST-MINEVA Scholar Program are accepted on a rolling basis. Students are encouraged to apply as soon as possible to ensure their consideration for admission.

OTHER RESOURCES

For more information about the HKUST-MINEVA Scholar Program, students are encouraged to visit the program’s website or contact the program’s administration office. In addition, a list of scholarships and other resources is provided on the program’s website to help students finance their education.
